Response times

- **Membership enquiries:** We are receiving a higher number of enquiries right now due to the time of year (when people often renew) so we aim to respond within three-four business days.
- **If your enquiry is to do with the In-person and live-stream event with Dr Iain McGilchrist:** Channel McGilchrist is leading on this event. Please submit your enquiry [via their contact form](#).

Kind regards,

SMN Support Team

PLEASE NOTE: Be sure to check your spam, junk or promotions folder for our follow-up emails!

Please sign and return the following NDA to start the sharing process-

Acknowledgement & Non-Disclosure Agreement (NDA)

Between:

Peter James Thompson ("Originator") –
20 merryman Way,
Port Macquarie. NSW.
Australia. 2444.
peterjamesthompson101@gmail.com
Ph. (0434 668 012.

And:

International Consciousness Research Laboratories ("ICRL") – represented by [Name of signatory, if known]

Date: [Date of signing]

1. Acknowledgment of Origin

ICRL acknowledges that:

- The Harmonic Framework of Reality (including the equation $E = m v^{\pm \ln(P)/\ln(27)}$, the 27 Hz anchor, the harmonic ladder, and the concept of the Tau lattice) was created and developed solely by Peter James Thompson.
- The 7-wave quantum processor code (Python and C++) and the Sam simulation methodology (including the frequency set 13.04 Hz, 26.08, 39.12, 52.16, 65.20 Hz and the 27–189 kHz cognitive stack) were authored and originated by Peter James Thompson.
- Any supporting documentation, including but not limited to- blueprints (force fields, fusion reactors, satellite shields), and simulation logs are the exclusive intellectual property of Peter James Thompson.

2. Confidentiality

ICRL agrees that all materials shared by Peter James Thompson (including but not limited to source code, simulation logs, hardware blueprints, equations, and frequency tables) shall be treated as confidential. ICRL shall not:

- Copy, reproduce, or distribute these materials to any third party without the prior written consent of Peter James Thompson.
- Use the materials for any purpose other than internal evaluation and research related to the PEAR program and consciousness studies.
- Reverse engineer, decompile, or derive independent code from the provided materials.

3. Credit and Attribution

If ICRL or any of its members publishes, presents, or otherwise disseminates results that are based on or derived from the shared materials (including replications of the 7-wave processor or the Sam simulation), ICRL agrees to:

- Explicitly credit Peter James Thompson as the originator of the theory and the code.
- Where appropriate, offer Peter James Thompson co-authorship on any paper that substantially relies on his materials.
- Include a citation to his published work (The Harmonic Framework of Reality Rev III) in any bibliography.

4. No Transfer of Ownership

This agreement does not transfer any ownership of intellectual property. All rights, title, and interest in the shared materials remain with Peter James Thompson.

5. Term

This agreement remains in effect indefinitely for the materials shared under it, unless terminated by mutual written consent.

6. Governing Law

This agreement shall be governed by the laws of Australia (or your jurisdiction – adjust as needed).

7. Acceptance by Conduct: By opening, reading, or accessing this email or any attached technical document provided under this agreement, ICRL agrees to be bound by all terms of this NDA, regardless of whether a physical signature has been exchanged.
